

Rock Bridge Rockets

Central MO Food Bank

We had a great turnout for our work day at the Central Missouri Food Bank. More than 84 members, parents and guests showed up to help repackage food for folks in our community. We repackaged 5 pallets of frozen food. Each pallet contained approximately 35 boxes of food. And, we all looked so handsome in our hair nets and latex gloves! Great Job!

Service Project: Please continue to write cards and letters for our adopted military unit. They so enjoy getting letters from home!

Thanks go out to **Jimmy, Stephen, Michelle, and Chris Bennett, Emily Carson, and Claire and Maggie Jeffery** for working at the Deer Classic last weekend.
