Fold trim fabric in half length wise, wrong sides together. Press. Lay pillowcase fabric down, right side up. Place the raw edges of the trim piece along one of the raw edges of the pillowcase. Place a raw edge of the cuff fabric, right side down, along the edge of the pillowcase/trim fabric. Pin in place with a 1/2" seam allowance. Zig-zag raw edges. Press the trim and cuff away from pillowcase. Trim the side edges even. (Diagram 1) Fold pillowcase in half, right sides together, selvage edge to selvage edge. Sew along short edge of the pillowcase and along the selvage edge using a 1/2" seam allowance. (diagram 2) Fold the cuff edge under 1/2" and press. Fold cuff edge to inside even with the trim seam and topstitch. (diagram 3) Turn and press. (diagram 4)
